Bloch Bros. Electric Light.
The installation of the incandescent electric light plant at Bloch Bros. tobacco factory is almost completed, and the lights will probably be turned on in the middle of the week. The dynamo are of 400 light capacity, but only 300 will be used at present. The remaining hundred are intended for the new building the firm intends to commence erecting this spring.

At the Y. M. C. A.

The regular young men's meeting at the Y. M. C. A. yesterday afternoon was unusually interesting, notwithstanding the disappointment over the failure of the evangelist announced to speak, to put in his appearance. A number of short talks were given by various Y. M. C. A. members, the meeting being under the guidance of the secretary, Mr. Lynch.

Seabright Division Officers.

Yesterday afternoon Seabright Division No. 477, Brotherhood of Locomotive Engineers, publicly installed the following officers, at the hall corner Twenty-sixth and Chapline streets: Chief, W. J. Duff; First Engineer, Ed. Carr; Second Engineer, Jas. Crogan; First Assistant Engineer, Harry J. Drummond; Second Assistant Engineer, Lou Wells; Third Assistant Engineer, J. E. Wayman; Guard, Frank Falkenstein; Chaplain, M. B. Stover.

There was no Race.

The Sunday papers announced that McClelland and Hanke did not skate at Martin's Ferry Saturday night, as if there was any reason to expect one. McClelland announced that he could not be there; he had no money up. He was quoted in this paper last week as saying he would never skate in Martin's Ferry again, and he now says he will never meet Hanke again on any terms. He will probably make a race with George Connor, of Chicago, to-day, giving him one-half minute start if for twenty-five miles, and one and one-half minutes if for fifteen, the race to be run in four weeks.

Work of the Police.

Mayor Seabright, in police court Saturday morning, fined George Frank, a keeper of a house of ill fame, \$20 and costs; three inmates were fined \$5 and costs each, and James Polk, the colored "professor" of music, was dismissed. In police court Saturday evening there were only two female drunks. Mrs. Johnson was sent to jail for thirty days and Mrs. Colfield for fifteen days. Jeff Tofer will answer in police court this morning for threatening to kill Hattie Grantham. Officer Herbert arrested him. Thomas Morton was arrested by Officer Fitzpatrick for disorderly conduct.

Chief McNichol has received word from army headquarters that he will receive \$60 for having delivered up a deserter to the federal authorities. The chief has also received a letter from Thomas Saunders, of Port Vato, Longport, Staffordshire, England, thanking him for having looked up Mr. Saunders's long lost son, and enclosing Mr. Saunders's photograph. The letter also said that a handsome book was on its way across the ocean as a slight testimonial of Mr. Saunders's thanks.

A FATAL STOLEN RIDE.

A Boy Falls from a B. & O. Car at Benwood and so Badly Hurt

THAT HE DIES IN A SHORT TIME

Boys Engaged in Stealing Rides when the Accident Occurred, and it Should Serve as a Warning to others against the Dangerous Practice.

Yesterday afternoon as Charley Fahnestock, a boy about fifteen years of age, was stealing a ride on the front of an engine on the Baltimore & Ohio railroad, at Benwood, he met with an accident which in a few hours resulted in his death.

With the boy were several of his companions. One of the boys asked the Fahnestock boy to shield him from observation while the train was passing his home, as his mother had forbidden him to ride on the trains.

As Charley was changing his place to conceal his friend, he slipped on the bumper and fell beneath the moving train. The wheels of the engine passed over one leg, tearing it from its socket, also injuring him internally, as there was a copious flow of blood from his mouth.

The accident occurred at 10 o'clock near Vance's grocery. Dr. McDonald was at once called and attended to the injury, expressing fears that the boy could live but a short time. The lad was then carried to his home in the upper ward. When he was taken home the sorrow of the family was heart rending. After the necessary operation had been performed he was too weak to rally, and died about 3 o'clock yesterday afternoon.

Early yesterday morning an unknown man who had been struck by a Baltimore & Ohio engine was found lying alongside the railroad track at Ford's crossing. The patrol wagon was sent for and took him to the City Hospital, where a physician examined him and found that his head was badly smashed, rendering his recovery impossible. The man was conscious for about fifteen minutes after his arrival at the hospital; he then lapsed into insensibility and died in a short time. Coroner D. Z. Phillips held an inquest in the afternoon and rendered a verdict in accordance with the facts. The man was an Austrian named Johann Koenig, and he worked at the Riverside blast furnace.

MINOR CASUALTIES.

Mother Holliday Badly Hurt—Other People are Injured.

"Grandmother" Holliday fell yesterday and broke the bone of one of her arms. Medical attendance was at once secured; the injury, while not necessarily dangerous, is serious, owing to the advanced age of Mrs. Holliday.

Saturday evening while a number of boys were playing in the vicinity of Wood and Seventeenth streets, a stone thrown by one of the crowd struck Walter Stanley, a son of James Stanley, in the left eye, so seriously injuring that organ that the sight may be destroyed.

Saturday evening a seven-year-old lad named Henry Cook, living at Boggs's run, while standing upon an embankment, accidentally fell and dislocated his hip.

Thomas Finan, of the Eighth ward, who is employed at the Riverside tube works, met with a painful accident Saturday evening. He was coming out of the building when some one threw a stone, striking him on the right side of the head and cutting quite a painful gash. The party who threw the stone could not be found, and it is not known what motive prompted the deed.

A BOOM IN REAL ESTATE.

A Number of Transfers Filed for Record last Saturday.

The following transfers of real estate were left for record at Clerk Hook's office on Saturday.
